

Delaney Gentle

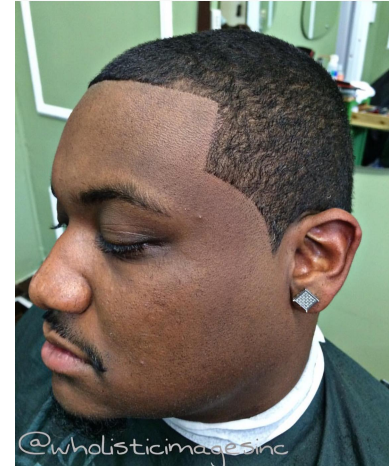

~Melania Henderson~

Who? Who is Delaney Gentle?

My relative is named Delaney Gentle. He's 32 years old and he is my only uncle on my mother's side. He's a barber for his company "Wholistic Images."

What? What did he do? What was his “claim to fame?”

My uncle created his own company “Wholistic Images.” His claim to fame was successfully establishing his own company.

When? When did he live? What year were they most active?

Delaney Gentle was born in 1985 and still lives today. The years he was most active were from 2014–2017 and still works today.

Where? Where did he live? Were there any outside protagonists there that led them to do incredible things?

Where continued:

Delaney Gentle lived (and still does) in Hyde Park, Chicago. Some outside protagonists that contributed were my mother and my grandmother when it came to funding. Also, a tax accountant filed the paperwork while a real estate agent helped in finding the location, which is now 1525 E 55th St Unit 309, Chicago, IL 60615.

Why? Can you research that question? Why did they do what they did?

Yes, I can research and I did research this question by asking my uncle himself. “Why did I do what I did? Because I have a vision of professionalizing the barber industry.” This is my uncle’s reasoning for doing what he did and doing what he does.

How? Did their accolades occur over time, did it happen quickly? How did they leave their mark on you?

Their accolades occurred over time and are still occurring today. Delaney Gentle left a mark on me because it goes to show with the help of my family, I can achieve any dream I wish to if I work hard for it.

Thanks for Listening
